Collected Information

Domain Names

When a visitor comes to our website, our web server recognizes only the visitor's domain name, but not the e-mail address. This means that we can track visits to our site while visitors remain anonymous.

Cookies

Cookies are pieces of data your web browser stores on your hard drive. We use cookies so we can recognize you when you pay a repeat visit to our website. Cookies let us personalize your shopping experience based on your preferences. Most browsers accept cookies. However, if you wish, you can usually set them to refuse cookies. If you set your browser to refuse cookies, you will not be able to submit an order online. Image-Spark does not use cookies to gather any personal information.

Aggregate Information

We collect aggregate information on visits made to our pages. This information helps us improve the content of our site. We also track which websites refer visitors to Image-Spark.

Other information we collect for purchases

When you purchase a product or service from Image-Spark, we ask for the following information: name, address, phone number, e-mail address and credit card. This information is used to process and follow up on your order.

E-Mail Address

Image-Spark also collects e-mail addresses to facilitate communication when you make a purchase. We may use your address to tell you about upcoming promotions or special offers.

Secure Shopping

We use GeoTrust as our SSL (Secure Socket Layer) digital certificate provider, providing our customers the strongest certificate services available. Your credit card information is encrypted while traveling the Internet.

Disclosure of Information Policy

We never make your e-mail address or any personal information available to any other company or organization without your permission, unless you have given us consent to do so for the purposes of Image-Spark's services. Please see our Terms and Conditions of Use for further information.
